

Children In Need

This week in Starfish Room we got ready to raise some funds by encouraging staff and children to come to nursery in their pyjamas, dressing gowns and slippers, or having the option of wearing a funny wig, or having “bed head”.

The children were very eager to pose for photographs:

Bradley – “Cheese”

Faye – “Smiles”

For an activity the children made Pudsey bear paintings using paper plates for Pudsey bear's face. The children used yellow, green and red paint for the bears.

Anushka - "What is it?"

Jayden - "Wow"

Lewis - "Look at mine"

Three children and a member of staff from Starfish Room were chosen to have their photograph taken for the local newspaper "The Crosby Herald" this was done along with children from the rest of the nursery.

DfES 2008

Being creative involves the whole curriculum not just the arts. it is not necessarily about making an end product
Such as a picture, song or play.

We will be beginning our Christmas crafts and preparations.
